01 PROFESSIONAL STATEMENT

I'm a passionate Developer with over 6 years of experience in the game development field, using Unity, Construct 2 and Construct 3 Engines.

I spend my time discovering and going through a variety of different projects in unity, from VR/AR Apps and Editor tools to Web-based and mobile games.
- *Firebase developer for +4 years*
- *Extremly excited to try my hands on different sets of project ideas, Discover new place and be a part team that will keep pushing me forward!*
